

Dear Parents,

August 29th, 2020

Although our 2020 dance season is one we will not soon forget it is time to look forward to yet another new and exciting dance year. Join us at "Dance with Mara" as we celebrate our 30th Anniversary season!! Rest assured that this year will be another special and memorable one.

Dance with Mara will continue to offer a pressure free, positive environment where students can progress and develop their skills while having an enjoyable experience. We offer classes in ballet, tap, jazz, hip hop, acro, musical theatre and lyrical. We also have a dance team for our more serious, committed dance students. Although we are a non-competitive studio our classes are progressive and students are placed according to skill level and age. Students only progress to the next level if they have met the requirements.

If your child is a returning student, their class level will be emailed to you. New students, please call or come by during one of our registration dates to discuss placement.

Under the circumstances, we would recommend that all returning students register for classes by email. Please send an email indicating the class/classes your child/children wish to take and once your request is processed I will reply with your total fee. Payment can then be made by Etransfer to dancewithmara@outlook.com.

For new students and those who prefer to come in to register, the studio will be open on:

• **Wednesday October 7th from 6:00pm to 9:00pm**

• **Thursday October 8th from 6:00pm to 9:00pm**

In addition, our photographer, John Horton will be at the studio to take picture orders.
